

Level 1

NT Communications

The Doctrine of Benefits, Privileges and Rights of the New Covenant in Christ

Now that the student has completed the 1st Level, he/she must prayerfully decide the course of action they will take. "Do I wish to proceed and be happy with certification, credits, grades and transcripts?" – "Do I wish to proceed with NTC Rep status to be able to sponsor students in the program I just finished and earn my 12 additional intern credits for an Associates Degree from TSFTI?" If you decide to be an NTC Rep. to sponsor your church, friends, Bible study, etc, you will still be able to proceed to the next Level of NTC Communications even while you are sponsoring individuals into the Program you just completed.

New NTC Student enters here via sponsorship of NTC Representative; NTC Student registers in TSF Community and enrolls in the first NTC program

Student proceeds thru courses and begins to accrue credit with assessments starting with **Regeneration** and continues thru the program with NTC Rep. support

Student completes 1st Level program fulfilling assessment requirements, completes online final exam, receives NTC grade, transcripts & certificate online

Student is now qualified to apply for (optional) NTC Rep. Licensing, and/or Associate Degree from NTC credits, transcript and grade presented to TSFTI

From here the student will proceed to the next level of NTC
